About Our Menu

We believe in eating farm to table food that makes you feel good. We cook from scratch and use organic ingredients as much as possible. We source everything we can from local farms. All of our breads are made with organic, Non-GMO flour. We use real butter and local, organic eggs. Our kitchen cooks with real food and natural ingredients.

Bake At Home Meals

All of our meals are made from scratch in our kitchen just like if you cooked at home. We use as many fresh vegetables and healthy ingredients as we can. Our family sized meals feed 4 people. We have several gluten free options. You can add a large Farm Table salad to any meal for \$13.00
